AND UVEITIS FOUNDATION

Dedicated to Eye Disease Cure and Education

Ocular Inflammatory Disease Crash Course Virtual Coast to Coast Symposium

October 3, 2020

Untangling the Mystery: Diagnosis, Testing and Imaging

1. Approach to workup of uveitis (C .Stephen Foster, MD) **20 minutes**
2. Imaging tools that make a difference in ocular inflammatory disease (Peter Chang, MD) **30 min**
3. **The role of genomic technologies in identification and characterization of infectious and autoimmune causes of uveitis (Thuy Doan or John Gonzalez, UCSF) 25 min**
4. **Case discussion: dilemmas in diagnosis (panel) 15 minutes**

Taming the Fire: Treatment and Surgery for OID

5. Current and emerging therapies for the treatment of uveitis and ocular inflammatory disease (Raj Shah) **30 min**

Surgical considerations in the management of the uveitis patient

6. **Anterior segment (Stephen Anesi, MD) 20 min**
7. **Posterior segment (Rajiv Shah, MD) 20 min**
8. **Case discussion: dilemmas in trivreatment (panel) 15 min**

Patient Break-out Session

9. Coping with uveitis **45 min**

Hot topics not often discussed...

10. **Approaches to management of immunosuppression in patients with JIA, a rheumatologist's perspective (Andrew Shulman, Children's Hospital Orange County) 20 min**
11. Scleritis treatment and new insights (David Chu,MD) 20 min
12. Ocular cicatricial pemphigoid (mucous membrane pemphigoid?) and atopy (Dr. Foster) **30 min**
13. Infectious uveitis and emerging pathogens (Gary Holland if available, otherwise TBD) **20 min**
14. **Drug induced uveitis: role of the newer chemotherapy agents (Sanjay Kedhar) 25 min**
15. **Masquerade Syndromes (Sanjay Kedhar) 25 min**
16. **Q& A 10 min**
17. **Uveitic Glaucoma ,Sameh Mosaed,MD, Director of Glaucoma, UCI 20 min**

Patient and Physicians United:Advocay and navigating the system

18. Navigating insurance and other hurdles (Frances Foster) **15 min**
19. Self-advocacy, how to get the best medical care possible (do's and don't's, including approaches to dealing with patient compliance, advice on complementary therapies) (TBD) **25 min**
20. **Q&A 10 min**
