A Year of Support!

This year, OIUF hosted 11 monthly virtual support groups for patients with Ocular Inflammatory diseases! To continue our mission of providing support, we have made a select few guest presentations from past support groups available online!

"Accessibility with Apple Products"
"Navigating Life with Low Vision"

Virtual Event for New Patients!

Thank you to everyone who participated in our virtual webinar for new patients, including our moderator, guest speakers, and sponsor, the CLARITY study! We hope this was an informative and engaging evening for everyone who joined.

Missed the live event? No problem!

The full meeting is now available to view online! Learn about essential resources, treatment options, and coping strategies to help navigate your journey.
