Glaucoma Awareness Month!

January is Glaucoma Awareness month! Patients with uveitis can often experience secondary glaucoma, or glaucoma caused from complications of uveitis.

February Support Group!

Join us OIUF and Elliot Feldman, of Visions of Independence, to discuss ways to navigate life with low vision. Low vision can affect uveitis patients at various points in treatment, especially during flare-ups.

"Navigating Life with Low Vision"

February 10th, 2025 @ 7:00 PM EST
