Share the Love with OIUF!

OIUF has been participating in the Subaru Share the Love event since 2015 which allows proceeds of Subaru car sales from during this event to be donated to a charity of choice.

OIUF has been a chosen charity for Quirk Works Subaru in Quincy, Massachusetts! These funds allow us to support our fellowship program which helps to erase the deficit of properly trained ocular immunology specialist.

Former OIUF Fellow in the News!

Former OIUF fellow and current board member, Dr. Stephen

Anesi, was featured in the news recently as a part of a uveitis patient's story toward recovery and remission.
