Share the Love with OIUF!

OIUF has been participating in the Subaru Share the Love event since 2015 which allows proceeds of Subaru car sales from during this event to be donated to a charity of choice.

OIUF has been a chosen charity for Quirk Works Subaru in Quincy, Massachusetts! These funds allow us to support our fellowship program which helps to erase the deficit of properly trained ocular immunology specialist.

The Subaru Share the Love Event runs now through January 3rd, 2025. A small portion of all eligible purchases of a Subaru vehicle from the Quirk Works dealership made during this time will go to OIUF!
