[Click to View All Support Groups!](#)

Our fellowship program to train physicians in the speciality of ocular inflammatory disease is in full swing with daily clinics, lectures and lab meetings to

pack in as much specialized education as possible!

Looking for in-person events and opportunities?

For physicians, fellows, patients and caregivers...join us in **Houston, Texas** this fall for our **annual Crash Course Conference** to learn directly from experts in the field of treating ocular inflammatory disease. This event also features an in-person support group!

Boston
Sunday, August 24, 2025

New York/New Jersey
Sunday, September 28, 2025

Full details on in-person events to be released closer to the date!

February Support Group!

Join us OIUF and Elliot Feldman, of Visions of Independence, to discuss ways to navigate life with low vision. Low vision can affect uveitis patients at various points in treatment, especially during flare-ups.

"Navigating Life with Low Vision"

February 10th, 2025 @ 7:00 PM EST

Led By:

Frances Foster, MS, NP

OIUF Support Group Chair/Facilitator

Elliot Feldman

of Visions of Independence
