## Support Group Reminder April 12, 2025

### April Support Group!

Autoimmune Ocular Inflammatory Diseases overlap with the field of rheumatology, and OID can be associated with a number of systemic autoimmune diseases like sarcoidosis, juvenile idiopathic arthritis or rheumatoid arthritis. Join us in April for an open discussion with a rheumatologist to answer questions!

### "Ask a Rheumatologist"

April 16th, 2025 @ 7:00 PM EST

Led By:

Frances Foster, MS, NP

*OIUF Support Group Chair/Facilitator*

Dr. Laura Amorese-O'Connell, MD

*Former OIUF Fellow and Practicing Rheumatologist*
