

THE OCULAR IMMUNOLOGY  
AND UVEITIS FOUNDATION  
*Dedicated to Eye Disease Cure and Education*

Brighter Vision  
Giving Tuesday  
December 3, 2024

*Dear OIUF Community,*

Last December, Dr. Foster retired from medical practice but has continued to dedicate his time to the Ocular Immunology and Uveitis Foundation. From in-person speaking engagements to educate providers, patients and caregivers of OID to continuing to supporting his patients beyond the clinic. As the president of the board at OIUF, he will help us continue to fulfill our mission.

In a special event to honor Dr. Foster's contribution and legacy to research, education and support in the field of Ocular Immunology and OIUF, former fellow and board member, Rajiv Shah, MD, quoted Winston Churchill which had embodied the work we've done in the past year to endure his legacy for the foundations future.

*"You make a living by what you get; you make a life by what you give."  
– Winston Churchill*

## Your Giving Tuesday Donation Will Support...

### Research

- The continuous flow of retrospective research from OIUF fellows on the diagnoses and preferred treatments of Ocular Inflammatory Disease
- Contributions to other institutions carrying out OID-focused research

### Education

- Ocular Immunology fellowship program at the pre-residency and clinical level for US-based and international healthcare providers
- Annual Crash Course conference for patients, caregivers, and providers around the US

## Support

- 12 monthly, virtual support groups with guest speakers
- Free, online educational guides for patients, caregivers, and teachers
- Facebook support groups for patients and caregivers of OI
- Annual Walk for Vision and Patient Focused Program, an in-person fundraising event for OIUF's mission

---

*A donation today will ensure OIUF can continue to fulfill our mission in 2025!*
