Gearing Up for a Season of Events

We're heading into a busy and exciting stretch at OIUF, with several events on the horizon that bring our community together and drive our mission forward. One of the biggest? The first Walk for Vision of 2025, coming up soon in Boston! Whether you're joining us in person or supporting from afar, there are plenty of ways to get involved this season. Stay tuned for more opportunities to connect, learn, and help us raise awareness for ocular inflammatory disease.

A Heartfelt Thank You: Subaru Share the Love

Last week, OIUF Founder and President Dr. C. Stephen Foster was honored with a generous donation of \$24,130 from the Subaru Share the Love® campaign and Quirk Works Subaru. Since 2015, this incredible partnership has raised over \$364,000 in support of our mission.

These funds have been vital in helping us eliminate the shortage of properly trained Ocular Immunologists and ensuring that all patients with ocular inflammatory disease have access to the specialized care they need. We're deeply thankful for Subaru and Quirk Works Subaru for their ongoing commitment to our cause and our community.

Upcoming August Support Group

Living with a chronic illness can impact every part of life—physically, emotionally, and socially. Whether newly diagnosed or managing a long-term condition, it can be difficult to navigate the ongoing uncertainty, symptoms, and changes that come with chronic illness.

Join us next month for an open discussion on coping strategies, shared experiences, and resources for managing chronic illness. This is a supportive space to connect with others who understand what you're going through.
